SCHOOL OF COMMERCE

School of Commerce believes in developing global competencies in students through quality education, and continuous innovation. The School provides a proficient environment to nurture commerce professionals with a high level of knowledge and competence to effectively contribute to the society with commitment and integrity. Commerce is actually the mixture of various operations which help trade and other related activities of trade itself. Commerce includes activities such as computing, financing, banking, advertising, marketing, transportation and overall management of a business. FS University offers both UG and PG degree in commerce which trains the students in various aspects of trade and business.

With a rising demand of multi skilled personnel, commerce courses prove to be popular amongst UG and PG students. FS University offers well planned curriculum to raise growth and business phenomenon in students. Students are exposed to subjects such as finance, marketing, management, taxation, economics, business law, communication and banking etc. To keep the learning atmosphere lively students are engaged in multiple activities beyond academics.

DEPARTMENT OVERVIEW

The department of commerce offers B.Com and M.Com programmes. We endeavour to innovate with our classroom teaching which is a blend of classical methods of delivering lectures along with student centric methods of teaching learning like role plays, simulation, group assignments, discussions and debates, case-based teaching etc. The department takes pride in its best practices like incorporating service learning in the curriculum, peer mentoring, mental health & holistic development programs, social outreach, research paper publication, skill enhancement programmes.
