FROM THE CHANCELLOR DESK

We have been successfully running FS Educational Group (Estd. 2004) which was started as a tribute to my father Late (Shri) Fulan Singh Ji. At FS University, we aim to excel in education by fostering our learners to lead tomorrow. It is our proud privilege to have ensured that our primary goal of meeting the educational demands of students in the region is fulfilled to the best of our abilities. In the process of imparting education over last 17 years we have discovered that our modern infrastructure, facilities and the teaching methodologies make our students comfortable during the course of study. In addition to it, special efforts have been made to provide students a homely environment. The university aims to evolve our students as confident & highly knowledgeable technocrats, managers, pharmacists, and entrepreneurs with global mindset as well as futuristic thinking that will contribute towards building strong nation with a strong adherence to professional code of conduct. The key to learning experience is inclusive of the time that students spend within and beyond classrooms. Keeping this in mind, the hostel facilities in the University premises has been designed with utmost care and attention so that the students can feel secure & homely stay. The ideology is to ensure that our students will receive facilities which would possibly required to fulfill their potential and to develop an attitude towards life that will prepare them for their life beyond the boundaries of FS University. We extend our warmest wishes for an incredible journey to a life of personal as well as professional fulfillment, abundance and happiness!

FROM THE SECRETARY DESK

The Management, Parents, Students and the Teaching Fraternity are that pillar which lead as a team and complement each other's efforts. Education is not just a process of giving knowledge for a high profile job but a lifelong process which creates an understanding of moral and ethical values to guide and make our students morally upright citizens of the country. We try to create an atmosphere with reverence for education and a healthy environment where academics, sports and co-curricular activities mould students and motivate them to be the brightest and the best. The University strives towards inculcating certain values in the students in order to enrich their mind and spirit and also to develop essential moral attributes like truthfulness, courtesy, generosity, compassion, justice, love and trustworthiness in them. I welcome to all the aspirants in FS University for the bright future.
