Our Blessing

"The Famous Temple of Shri Balaji Maharaj in Shikohabad Distt. Firozabad (U.P.) known as a great religious place of North India, where thousands of pilgrims & devotees come to seek the blessings of Shri Balaji Maharaj.

The temple is having the light of Mehandipur Balaji (Rajasthan)

FS University, which emerged from its FS Education Group traces its origins back to the establishment of the Fulan Singh Jan Kalyan Trust in 2003. We have been able to achieve all this by the utmost blessing of Shri Balaji Maharaj.

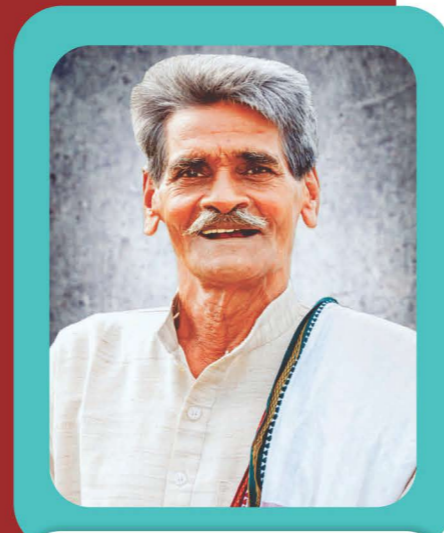

श्री बालाजी महाराज
शिकोहाबाद, उत्तर प्रदेश

Our Inspiration

“जिनके जीवन मूल्यों, आदर्शों एवं समाज को उत्कृष्ट शिक्षा प्रदान करने के स्वप्न को साकार करने की अभिव्यक्ति हेतु विश्वविद्यालय की स्थापना की गयी है।”

It was the year 2003, Dr. Dilip Yadav decided to fulfill the dream of his beloved father, Late (Shri) Ful Singh, for establishing various institutions to provide quality education to the society of the region & beyond. FS University is a tribute to him which is an initiative of Fulan Singh Jan Kalyan Trust in an attempt to make Shikohabad within the state as recognized destination for knowledge seekers from different spheres of life. FS University pays sincere tribute to our beloved visionary Patron Late (Shri) Ful Singh Ji.

स्व. फूल सिंह
— (1935-2020)

Achieve **whatever** you want to, go **wherever...**

it takes you, conquer heights,
imagine extra ordinary sights

FS University is a place to feed the heart and the head, Academically and Socially. It's where you find friends for life. Where you say yes to every opportunity and do things you'd never dreamed of. It's your key to brilliant future and at **FS University** you get it all in equal measure.

WHY FSU

Extraordinary : you may not see it in you, but we do

And we'll give you all the support opportunities and experiences you need. So by the time you graduate, you'll be truly on your way where you thought to be in your life and your career. Where to reach, it is up to you. How do we know this? This is what happens here. This is what we do.

No.1 For Quality Education
University in U.P.

**Meet new people,
become old friends**

With students from different states and nations
live and share the unforgettable experience on the campus

**THE CAMPUS
EXPERIENCE**

"It's not just the amenities, but it's the environment and energy that makes **FS University** such a great option for students."

DISCOVER *who you really are*

You'll end up knowing your subject inside out, but you'll discover much more. You'll learn about truthfulness and human relationships. You'll gain a deeper understanding of who you are, what you deserve and what you want to do in life.

24 x 7 Learning

Teaching Methodology

With disruptive technologies pervading the academic world, we have given a new orientation to the whole gamut of Teaching-Learning process by introducing the following new digital intervention in academic delivery to migrate from teaching to actual learning.

- 1) App Innovation
- 2) Digital Literacy
- 3) Library Media Specialists
- 4) Self-Directed Professional Development
- 5) Collaborative Learning
- 6) Educreations Interactive Whiteboard

Why CHOOSE US...

PROFESSIONALISM
OPENNESS
INTEGRITY
SELF-ESTEEM
EMPATHY

Small World

It is cumulative effect of an elaborate in-campus academic infrastructure; strong national and international collaborations and a robust on-campus recruitment record - including regular recruitment by reputed blue-chip companies - that the institute finds favor with national as well as international students.

A Rigorous, Flexible Curriculum

FS University views the world-and the traditional business degrees - differently. Our strengths include topics that will matter in the next global economy.

Excellent Campus Placements is the hallmark of our programs

FS University has established an unassailable reputation for strong on-campus recruitments on the sheer virtue of our intensive focus on making all our graduates "industry ready". Our students have gained employment in diverse professional roles and business areas across the globe.

Start Me Up

The possibility we provide to combine business and technology in their studies unique opportunities to build their future careers, be it through top class companies Or

capitalizing on their own innovations in order to create new businesses'

Industry-led Courses

We maintain close links with leading blue-chip companies and professional associations to deliver our academic programs accordingly. Strong corporate relationships also have a direct influence on our degree programs and have resulted in our "industry facing" curriculum.

Passionate Scholars & Teachers

You will also learn from experienced teaching staff and be exposed to some of the industry's top employer through opportunities such as field trips, internships, real-life scenarios and practical assignments, guest lectures from industry professionals and networking.

Learning By Doing

FS University curriculum is based on the framework of strategic competitiveness, which teaches the concepts of creativity, entrepreneurship, innovation sustainability, leadership and incisive decision making. You will learn how to complete-and-create transformative change-in business.

EXPERIENCE OUR CAREER DEFINING CURRICULUM ADVANTAGE

Specialized **Industry** Oriented in your Preferred Field

FS University is focusing on in-depth understanding, deliberating, planning and executing NEP for reaping its benefits in the largest interest of our stakeholder. The implementation of NEP at FSU shall make it emerge as a pioneer university on global map.

QUALITY

Join one of the best universities in India with the state-of-the-art infrastructure, research facilities, laboratories, and resources to support innovative research across disciplines.

INNOVATION

FS University has been a trailblazer in the experiential learning. We have collaborated with many other industries to create learning opportunities and to provide them the exposure.

ENVIRONMENT

FS University has been spread over acres of pristine land. Our university campus is a heaven of serenity and tranquility that provides the perfect environment to master, research and explore.

EXPERIENCE

Learning is a holistic journey that empowers the students to think critically, analyse complex problems, and to develop a deep understanding of their discipline.

SPIRIT

At the heart of the spirit of university is curiosity. It is the spark that ignites the flame of creativity and innovation, leading to breakthroughs in science, technology, arts, humanities, and more.

SUPPORT

MISSION, VISION & AIM

VISION

We are committed to create a learning sphere which facilitate our students to hone their skill based on the learning imparted in them and that will enable them to participate in nation building.

MISSION

Our mission is to provide the best of education to our students to make them better citizens of tomorrow who will contribute towards building a better society through aspiration, academic excellence, system leadership, social mobility, and industrial cohesion.

AIM

Transform the educational scenario of the nation's by imparting ethical and moral values long with the quality education. Uplift the people with weaker socioeconomic status through our mission. Ensure student progression through fulfilling their aspirations by refining their skill set. Impact on social mobility and equality in communities.

At FS University, we're not just creating professionals but future leaders. We're ready to grow with you.

EXPLORE ENDLESS POSSIBILITIES & BE TRANSFORMED

ABOUT US

The FS education group was established in the year 2003 with an aim to provide cost effective quality education to the society. Since last two decades it has emerged as a pioneer in Uttar Pradesh for higher education. The main objective of the FS University is to provide quality education and conducive atmosphere for students pursuing higher education.

The programs being offered by the FSU are approved and recognized by the regulatory authorities. FSU has prestigious national and international recognitions and accreditations to its name which testify its adherence to global standards. FSU bagged various prestigious awards such as 'Most Emerging and Promising University 2021', 'Fastest Growing University in Uttar Pradesh 2022', 'Excellence in Teaching Award 2022' and, 'Impactful University of the Year 2022', 'Agra Shri Samman for Excellence in Education 2023' to name a few.

FSU is focused on pursuing and strengthening its relationship with the industry. The goal is to groom the students into industry ready professionals by giving them an extra edge with the knowledge of cutting-edge technologies, trainings on the latest market trends and imbibing them with rich human values to make them socially responsive.

Distinguished academicians of FS University comprise of leading professionals from corporate world, academicians, researchers, and scientists who have authored various books, developed numerous case studies, and published quality research papers. FSU has its research collaboration and MOUs with various National and International Organisations. FSU is the leading education group of Uttar Pradesh with over 10,000 students studying across 100 acres of hi-tech campus.

At FS University we are passionate about grooming leaders who are not only thorough professionals but also good human beings with values and Sanskar. At FSU, we benchmark only against the best institutions around the world.

**“WE PROGRESS BY
ELEVATING
THE ACADEMIC
COMMUNITY”**

KNOWLEDGE BASE CAMPUS

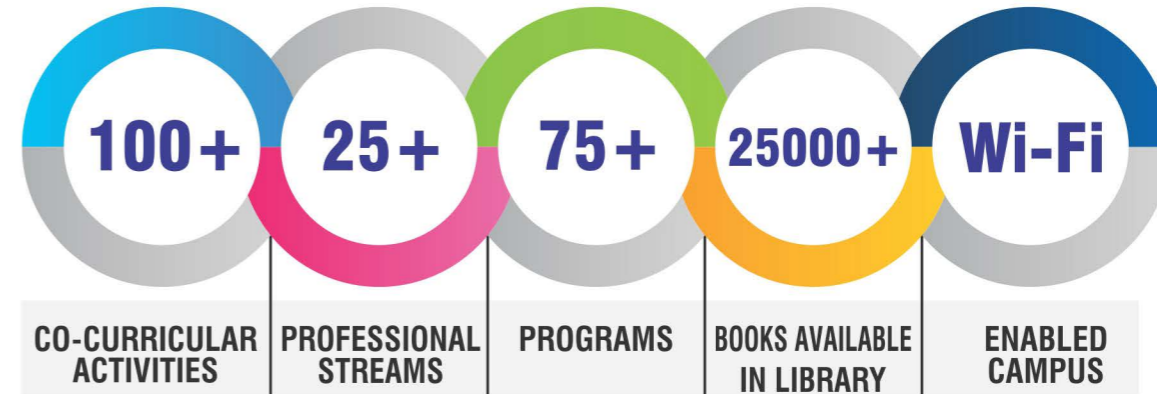

The University sprawls over rich 100+ acres, our stunning single-site campus is the University's most glorious asset. You'll find anything you need within close walking distance from open spaces, gardens, sport pitches and of course the academic buildings.

FSU CANVAS GLOBAL COLOURS

Collaborations and MOUs

- Industry oriented choice based credit system.
- On-campus residential accommodation.
- State-of-the-art infrastructure.
- Lush green lawns and centrally air conditioned ultramodern buildings.
- Safety and security of the students at prime.

RECOGNITION &

ACCREDITATION

CUTTING EDGE
LEARNING ECO-SYSTEM

FROM THE CHANCELLOR'S DESK

Knowledge imparts politeness which in turn gives worthiness. From that worthiness one earns a living. That wealth leads to the path of virtue which in turn gives happiness.

It is a privilege to have ensured our primary goal of meeting the educational needs of the society is fulfilled to the best of our abilities. In the process of providing quality education, we have developed world class infrastructure, conducive teaching-learning environment, and a dedicated support system for student progression. We are committed to create leaders who can expand the boundary of knowledge. Today, the FS University has a record of producing efficient, confident, and highly skilled workforce with global outlook and progressive approach which in turn is going to contribute to the nation building with a strong adherence to ethics and Sanskar.

A crucial part of the learning is what students do beyond the boundary of their classrooms. Keeping this in mind, we also have ample opportunities for co-curricular, extra-curricular and sports activities for each of our students. The hostel facilities in the University have been designed with utmost care and attention so that the students can feel safe and secure in a homely environment.

We are dedicated to ensure that our students are provided with all the facilities and opportunities they need for their holistic development with the intention of fulfilling their career aspirations.

We welcome you to the world class infrastructure with holistic teaching learning experience at FS University. I take this opportunity to assure you that each student at FS University will become a success story.

DR. DILEEP YADAV
(Ex-MLC)
CHANCELLOR

"WE WANT FS UNIVERSITY TO BE THE DREAM OF EVERY YOUTH WHO WANTS TO MAKE THE WORLD A BETTER PLACE"

FROM SECRETARY'S DESK

At FS University, the management, parents, students, and the teaching fraternity are a team and complement each other's effort to achieve its goal. Here at FSU, education is not just a process of imparting knowledge for an employment but it's a continuous process which creates an understanding of moral and ethical values to guide and make our students morally upright citizens of the nation.

We, at FS University create an atmosphere of reverence for education and a healthy environment where academic; sports and extra-curricular activities mould our students and motivate them to be the brightest and the best. The FS University strive towards inculcating values in the students to enrich their mind & spirit and to develop moral attributes like truthfulness, courtesy, generosity, compassion, justice, love, and trustworthiness.

DR. DINESH CHANDRA
SECRETARY

"WE PROGRESS BY ELEVATING THE ACADEMIC COMMUNITY"

FROM PRO-CHANCELLOR'S DESK

FS University is not just an organisation which imparts world-class education, but an experience where everyone's association is a part of the revolution and a mission to see that we really are transforming lives. The establishment of FS University is the outcome of the dream of our visionary grandfather Late (Shri) Fulan Singh Ji who is our guiding light and source of inspiration. Today, we are proud that FS University is well known for its practical, industry-focused education that attracts the students. The fact that our alumni are working in the best companies is a testament to our extremely talented faculty who inculcate the spirit of dedication, sincerity, and loyalty in each student. We are also honoured to have our esteemed industry partners who support our mission with so much enthusiasm.

We thrive to create a dynamic environment for holistic development of our students. Our goal is to maximise the global outreach of the University. Our

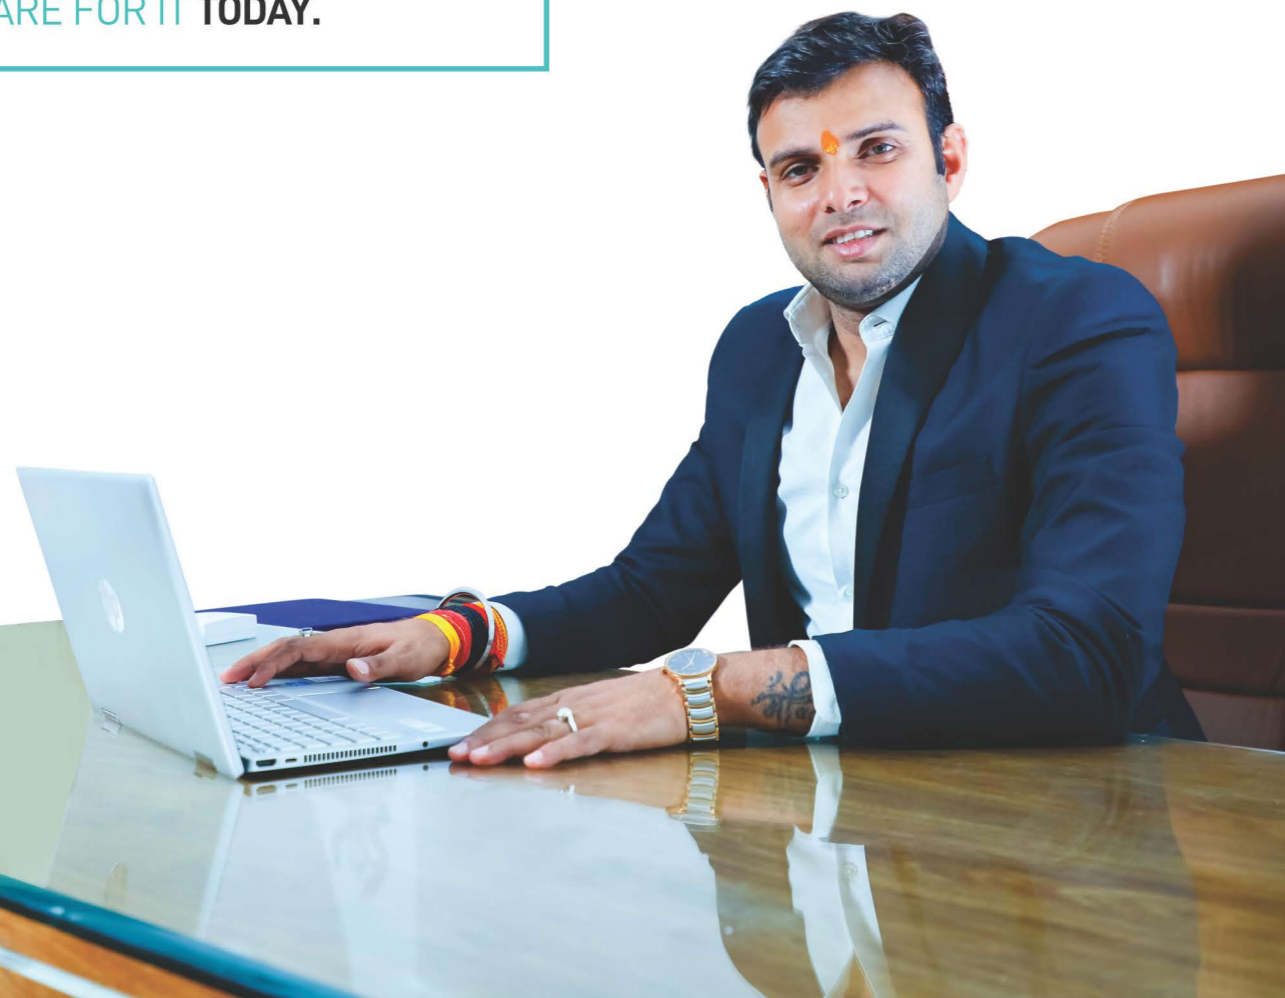

aim is to expand our horizon by educating the society to create citizens with high moral and ethical values.

We are determined to give global exposure to our students through international student-exchange program, foreign internships, and global engagement. Such experiences will support students to have a progressive outlook and will offer them a platform to enhance their skill sets according to the global standards. In addition, students will have an opportunity to understand the power of networking; they will be able to build their own network which is going to help them in their personal and professional pursuit.

We at FS University groom young future leaders to be complete, value-driven human beings and competent professionals with a deep passion for humanity. They are the future leader of the world.

"GET THE MANAGERIAL SKILLS TO EXCEL IN TODAY'S WORLD"

FROM TRUSTEE'S DESK

DR. RAHUL YADAV
TRUSTEE

FS University is a name synonymous with unparalleled success. We are committed towards this philosophy and thus constantly compliment classroom learning with extra-curricular activities. We are committed to incorporate path breaking ideas, cutting edge technologies and latest research trends into academics and scholastic work for the benefit of students, research scholars, faculty members and other associated academicians across the globe.

A series of multiple guest lectures, seminars, conferences, FDPs, hands on training programs and Workshops are conducted regularly to keep the knowledge and intellectual base updated. In this effort to achieve excellence in research and innovation, I feel humble and delighted to share that FS University has taken an initiative to set up dedicated infrastructure required for providing unparalleled teaching learning experience to our students.

We believe towards making learning a continuous process and endeavour to impart high quality education with a view to create a pool of world-class talent.

FROM TRUSTEE'S DESK

We at FS University believe in the philosophy of "modernity blends with tradition, while fostering talent." We firmly believe in the transformative power of education. We are driven by the determination to create an environment that nurture young minds, equipping them with the knowledge, skills, and values necessary to excel in an ever-evolving world. Our aim is to empower students to become critical thinkers, compassionate individuals, and responsible global citizens. To achieve our objectives, FS University prioritizes delivering the highest quality education. We recognize that education is not merely about imparting information but about fostering curiosity, creativity, and a lifelong love for learning. FS University is committed to recruiting and retaining exceptional faculty members who are passionate about teaching and possess expertise in their respective fields by providing them with the necessary resources and support, we ensure that our students receive a well-rounded education that prepares them for success in a rapidly changing society. As trustees, we are committed to upholding the values that define our organization and to ensure that together we look forward to a future filled with limitless possibilities.

DR. NITIN YADAV
TRUSTEE

FROM VICE-CHANCELLOR'S DESK

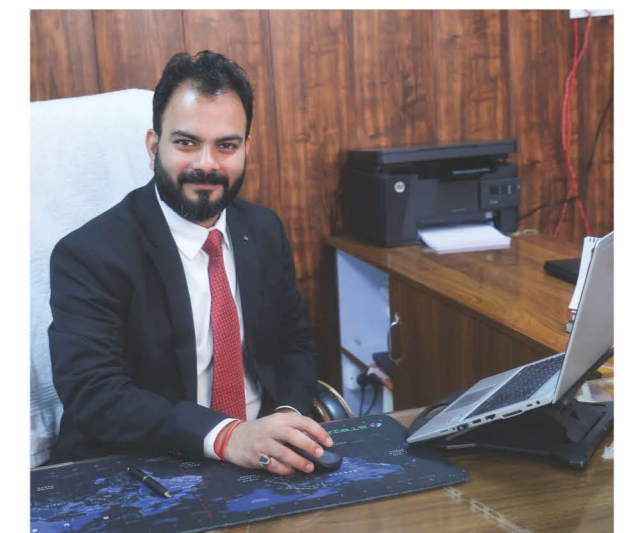

PROF. (DR.) SANJEEV BHARDWAJ
VICE CHANCELLOR

When an institution is founded on the ethos of excellence in research and innovation to create positive social impact, it is bound to make a mark in the education landscape. Which is why today, FS University stands tall as one of the most prestigious universities in India. We are committed to build not just India's but the world's intellectual capital by nurturing and shaping young minds into tomorrow's global leaders in all fields of human endeavour. This university has a single-minded goal of shaping the sharpest and brightest young minds into holistic global citizens who are ready to challenge and change the world. FS University is going to be a melting pot of global & local knowledge, scientific & creative thinking, futuristic and innovative research. Here, learning is an ever evolving and continuous process that seamlessly crosses the boundaries of classrooms, industry, and society. I am confident that our eminent educators and students will play a profound role in realising the vision of FS University and will very soon make it the best university in our country and the world. We, at FS University, focus on each & every student, to bring out their full potential and empower them with a winning attitude.

FROM DIRECTOR GENERAL'S DESK

In a world that constantly evolves, it is our ability to think beyond boundaries and challenge the status quo that sets FS University apart as a true pioneer. Our keen understanding of emerging of trends and technologies have empowered us to navigate uncharted territories, continually adapting and thriving in an ever-changing landscape. We strive to create an environment that fosters academic excellence, innovation, and personal development. As the Director General of FS University, I assure you that we are committed to providing you with the best possible educational possibilities. FS University has partnerships with institutions worldwide, facilitating study-abroad opportunities and international internships. These experiences provide exposure to different cultures, languages, and ideas, fostering global citizenship and preparing students for a globalized world. Our highly qualified faculty and staff members are here to support you in your academic pursuits and to help you develop into well-rounded individuals. As you embark on this transformative journey, your success is our ultimate goal, and we are here to support you every step of the way. FS University has a vibrant campus that offers a rich cultural and social experience. Take advantage of our world-class facilities, get engaged in learning, and participate in events and initiatives that align with your interests and goals.

INFRASTRUCTURE & RESOURCES

SPORTS

Sports play a significant role in university life, providing students with opportunities for physical fitness, personal growth, and community engagement. Sporting facilities are offered for games like Cricket, Volleyball, Badminton, Basketball, and Football along with a well equipped gymnasium. Moreover, the university celebrates an 'Annual Sports Week' every year to provide a platform to our students to exhibit their athletic talents in front of their friends and family. Participation in sports can provide numerous benefits to the students, including physical fitness, personal growth, social connections, and will enhance their overall university experience.

GYMNASIUM

FS University's gymnasium facilities can be accessed by the students, faculties and staff members. The gymnasium is well furnished with the latest machines and exercise equipment. Instructors and trainers are available to train gym enthusiasts. The gymnasium is divided into two sections. One section is meant for general exercises while the other is meant for rigorous weight training. The gym provides an ideal atmosphere for the students and other members for their overall development.

CLASSROOMS

FS University provides a professional, competent and expert faculty to inculcate curiosity among students. Our faculty members with rich academic and industrial experience act as mentors for the fulfilment of student aspiration. The University has a modern infrastructure and technological support for teaching, learning and personality development of students.

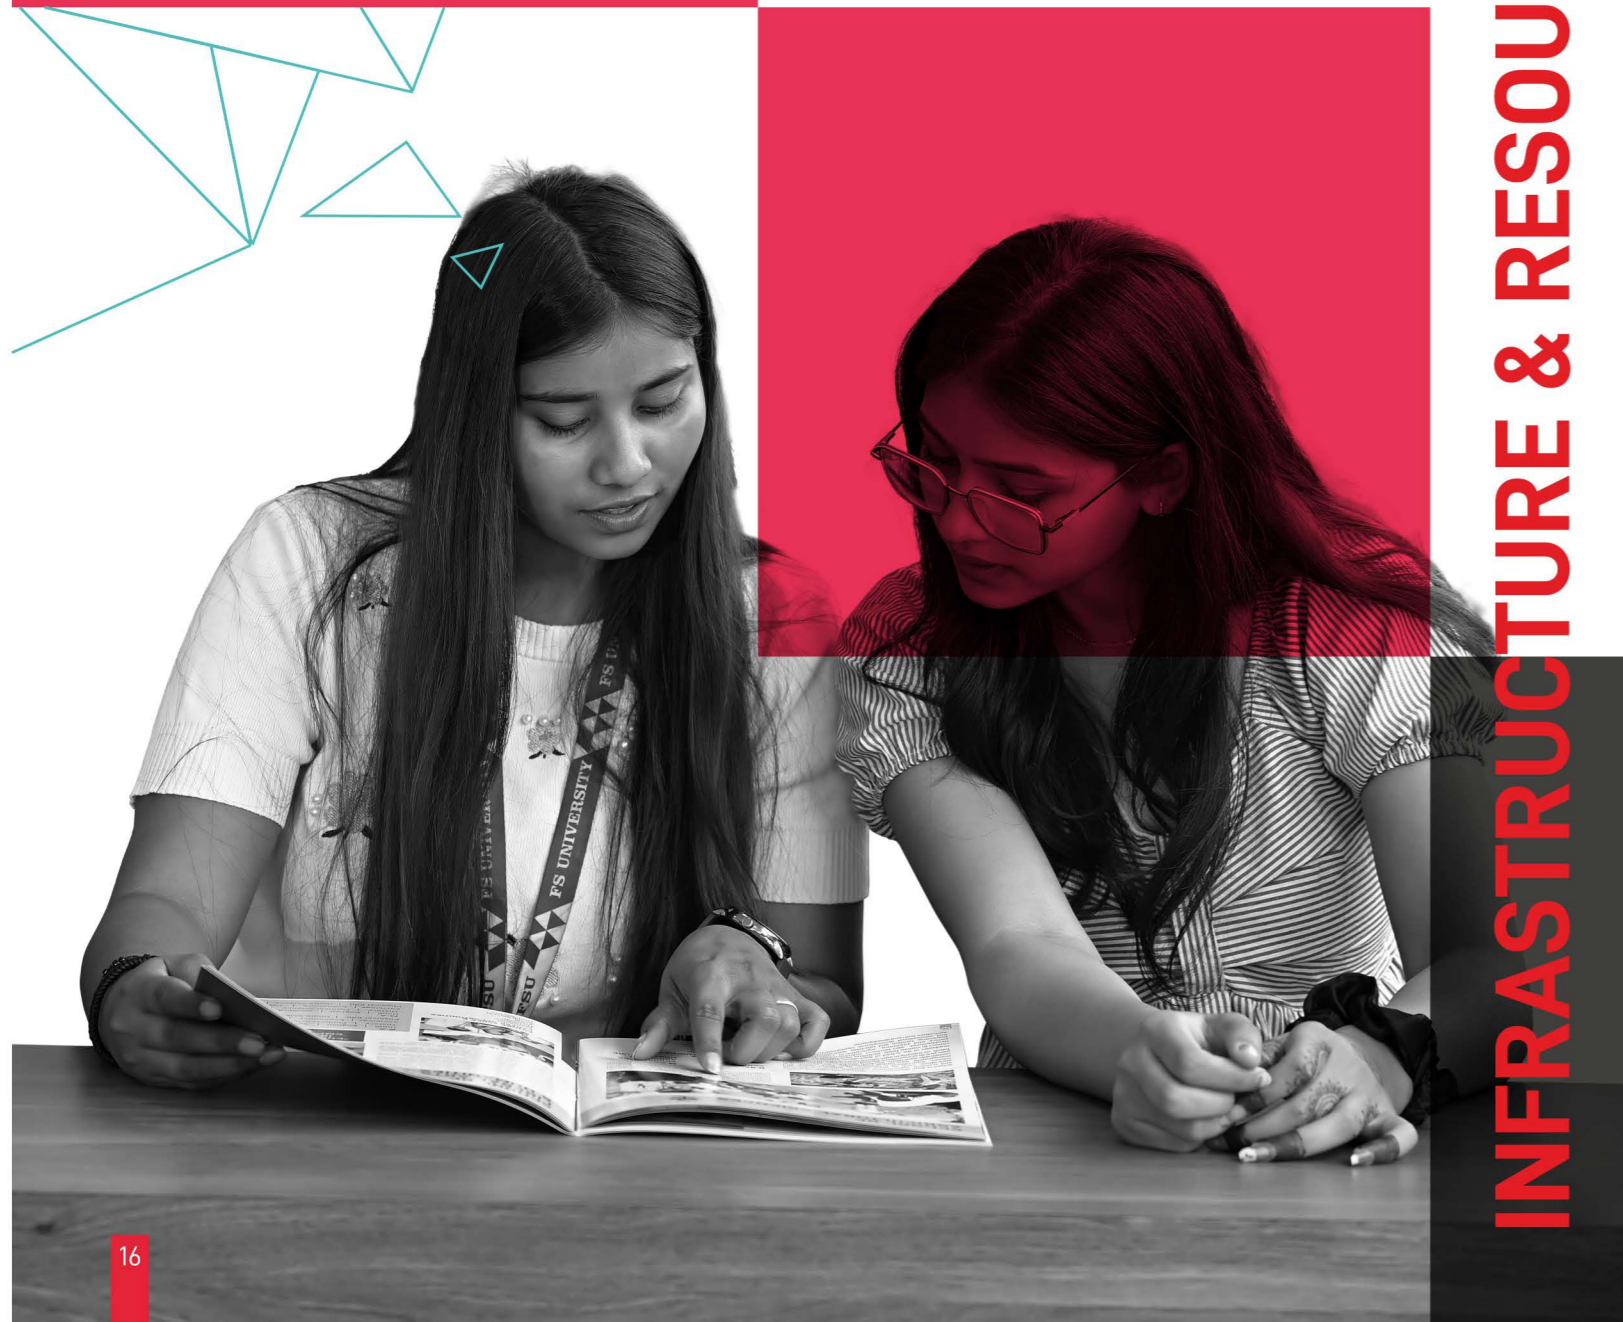

The university provides well furnished lecture halls giving the future managers and technocrats a focused arena to develop their personalities. Latest audio visual aids and multimedia technology enables the faculty to have interactive sessions of teaching which proliferate confidence and enthusiasm among the students.

In addition to the classroom infrastructure, the university also features dedicated seminar halls and tutorial/demonstration rooms to support specialized learning sessions and collaborative academic activities.

LIBRARY

'The Ocean of Knowledge', library is the heart of an Institute. FS University possesses a fully automated ERP based well stocked library. The library is the repository of knowledge, experience and observation. It provides access to a large spectrum of text and reference book bank of Indian and foreign authors.

MEDICAL FACILITY

FS University has parent hospital for providing medical facility in case of any emergency. A medical officer has been appointed by the university who visits the campus regularly for treatment of students. Hygiene and sanitation checks in hostel and mess are carried out regularly. FS University also conducts annual medical check-up for our students. The health and well-being of the students is our top priority, and efforts have been made to create a safe and healthy living environment within the campus.

SECURITY

The university shows utmost concern for providing its students a safe place. Its security is outsourced to private security services. A team of 100+ guards including 10 female security guards look after the security throughout the campus, round-the-clock. Apart from manning the entrance, they also help with maintenance of discipline of the various floors of the university building.

SEMINAR HALL

The University seminar hall has been the venue for numerous activities in the past years, with a sufficient capacity for accommodating good strength, centrally and air-conditioned and modern facilities like projector, smart board etc.

NCC (NATIONAL CADET CORPS)

The National Cadet Corps (NCC) is a voluntary youth organization in India that offers basic military training to students in schools and colleges, aiming to develop character, discipline & leadership qualities. FS University operates nice as an extra-curricular activity, with cadets participating in drills, small arms training, and various camps and activities.

TRANSPORT FACILITY

Transport facility is provided to the students, faculties and staffs. The University has its own fleet of buses which not only take care of daily transportation, but also used for students outings like entertainment and study tours, industrial visits etc.

LECTURE HALL

Classroom learning is primarily meant for theoretical and conceptual inputs with real life case studies, group learning and live projects. The lecture halls are well-equipped to enhance the learning process in most effective manner.

COMPUTER LAB

Well equipped computer labs with latest computers having high processing capability and Internet facilities are available in the campus for students to make learning easier and effective.

Accommodation
A HOME AWAY FROM HOME

HOSTEL

Separate hostel facilities are available for boys and girls. The rooms are spacious and well furnished. Safety and security of our students are top on priority. CCTV surveillance, secure access control systems, well-lit common areas, and immediate response plans for any emergency. Our hostels have regular cleaning and maintenance routines for rooms, common areas and washrooms. Water purifier systems have been installed and special care is being taken with respect to health and hygiene. A visit by a physician is undertaken for medical check-ups regularly.

TRAINING & PLACEMENT CELL

**TRAIN FOR
THE INDUSTRY WITH
CONFIDENCE**

FS University is to guide students to choose right career and to give training, to develop their domain related skill sets to meet the manpower requirements of the industry. FS is devoted to students progression and to provide resources and activities to facilitate the career planning as per the aspiration of our students.

It is an undeniable fact that jobs are in abundance in every field, but it might not be simple to find one, the CRC at FS University has been sourcing on campus placement for the students of different domain along with providing guidance for higher education.

SCHOOL OF ENGINEERING AND TECHNOLOGY

School of Engineering & Technology at FS University is a prestigious institution dedicated to advance scientific knowledge, innovation, and technology. As one of the pillars of higher education, engineering faculties play a crucial role in shaping the future by producing highly skilled engineers who contribute to the society through their expertise and creativity.

Our Engineering Faculties are renowned for their commitment to academic excellence. We offer a diverse range of undergraduate and postgraduate programs, covering various fields such as civil engineering, mechanical engineering, electrical engineering, computer science engineering, IT and many more. These programs are designed to equip students with a solid foundation in mathematics, physics, and other scientific disciplines, along with specialized knowledge in their chosen field.

Our faculty conducts cutting-edge research in various areas. School members and students work collaboratively to address complex global challenges and develop innovative solutions to real-world problems.

School of Engineering boast state-of-the-art facilities, including modern laboratories, workshops, research centres, and specialized equipments. These facilities provide students with hands-on learning experiences, allowing them to apply theoretical concepts into practical applications.
