NOTICE

In reference to the online meeting conducted on 14/05/2026 under the chairmanship of Hon'ble Minister of Higher Education, Government of Uttar Pradesh, Shri Yogendra Upadhyaya Ji, the following instructions are hereby issued in compliance with the Government advisory regarding fuel conservation, energy efficiency, environmental protection and sustainable development.

All faculty members, staff members and students of FS University are directed to strictly adhere to the following measures with immediate effect:

- Minimize unnecessary use of petrol and diesel vehicles.
- Prefer carpooling, public transport, and electric vehicles wherever possible.
- Use public transport at least once a week, wherever feasible.
- Ensure judicious use of electricity and maintain AC temperature between 24°C to 26°C.
- Avoid use of lifts for movement between the 1st and 3rd floors.
- Promote virtual meetings and avoid unnecessary official travel.
- Prefer rail travel for long-distance journeys wherever feasible.
- Switch off vehicle engines during long traffic signals and waiting periods.
- Encourage the use of solar energy and other renewable energy resources.
- Promote the "Vocal for Local" initiative by supporting indigenous and locally manufactured products.
- Participate actively in awareness campaigns related to sustainability and environmental protection.
- Faculty members and students are encouraged to spread awareness through social media and community engagement activities.
- All Departments/Institutions shall plan and conduct awareness programmes on the above initiatives.

All Heads of Departments, faculty members, staff and students are expected to ensure strict compliance with the above directions and contribute towards building a sustainable, energy-efficient and environmentally responsible campus environment.
