UP-GENS

Together for a Sustainable Tomorrow

ABOUT US

The FS Education Group was established in the year 2003 with an aim to provide cost effective quality education to the FS Education Group was established in year 2003 with an aim to provide cost effective quality education to society. Since last two decades it has emerged as a pioneer in Uttar Pradesh for higher education. The main objective of the FS University is to provide quality education and a conducive atmosphere for students pursuing higher education. of the FS University is to provide quality education and conducive atmosphere for students pursuing higher education. The programs being offered

by the FS University are approved and recognized by the regulatory authorities.

FS University is focused on pursuing and strengthening its relationship with the industry. The goal is to groom the students into is focused on pursuing and strengthening its relationship with the industry. The goal is to groom the students into industry ready professionals by giving them an extra edge with the knowledge of cutting-edge technologies, trainings industry ready professionals by giving them an extra edge with the knowledge of cutting-edge technologies, trainings on the latest market trends and imbibing them with rich human values to make them socially responsive.

ABOUT ICSGT 2026

The International Conference on Sustainability and Green Technology (ICSGT 2026) is envisioned as a premier global forum where thought leaders, researchers, innovators, policymakers and industry pioneers converge to shape the future of sustainable development. The conference will spotlight the most pressing environmental challenges of our time while showcasing breakthrough technologies, transformative ideas and evidence-based practices that drive meaningful change.

At its core, ICSGT 2026 is dedicated to advancing eco-friendly technologies, renewable energy, sustainable practices and innovative solutions that safeguard our planet. With a strong emphasis on interdisciplinary collaboration, the conference will highlight the integration of scientific progress with societal priorities, ensuring the responsible stewardship of natural resources and the creation of a greener, more resilient world.

CONFERENCE OBJECTIVES

- **Plenary Excellence** – facilitate expert-led discussions on contemporary sustainability challenges.
- **Frontiers of Knowledge** – showcase emerging research, technologies and evidence-based practices.
- **Global Networking** – create opportunities for researchers and professionals to connect and collaborate.
- **Academia-Industry Synergy** – promote collaboration between academic research and real-world applications.
- **Celebrating Achievements** – recognize meaningful contributions to sustainability, innovation and green technology.

CALL FOR PAPERS

ICSGT 2026 invites original, high-quality research and review contributions addressing sustainability, environmental stewardship, green technologies and related interdisciplinary challenges. Contributions may present theoretical advances, experimental studies, field applications, case studies, policy perspectives or innovative solutions.

CONFERENCE THEMES & TECHNICAL TRACKS

Advancing Sustainable Futures through Green Technology, Innovation & Interdisciplinary Solutions

ICSGT 2026 invites original, high-quality research and review contributions addressing sustainability, environmental stewardship, green technologies and related interdisciplinary challenges. Contributions may present theoretical advances, experimental studies, field applications, case studies, policy perspectives or innovative solutions.

TRACK 01 : Green Engineering, Smart Technologies & Sustainable Infrastructure

- Renewable Energy & Energy Storage
- Green Manufacturing & Sustainable Industry
- Smart Cities, IoT & Intelligent Infrastructure
- Sustainable Transportation & Electric Mobility
- AI, Robotics & Digital Technologies for Sustainability

TRACK 02 : Green Law, Environmental Governance & Sustainable Development

- Environmental Law & Climate Justice
- Environmental Governance & Policy
- Sustainable Development & Regulatory Frameworks
- Climate Change Law & Carbon Regulation
- Green Compliance, ESG & Corporate Responsibility

TRACK 03 : Sustainable Management, ESG & Green Business Innovation

- ESG & Sustainable Corporate Governance
- Green Entrepreneurship & Innovation
- Sustainable Supply Chain & Logistics
- Green Marketing & Consumer Behaviour
- Sustainable Finance & Responsible Investment

TRACK 04 : Green Economy, Sustainable Finance & Responsible Commerce

- Green Accounting & Sustainability Reporting
- Sustainable Finance & Green Bonds
- Circular Economy & Resource Efficiency
- Sustainable Trade & Supply Chains
- Digital Commerce for Sustainable Development

TRACK 05 : Green Biotechnology, Bioinnovation & Sustainable Bioeconomy

- Environmental Biotechnology & Bioremediation
- Biofuels & Renewable Biomaterials
- Sustainable Agriculture & Plant Biotechnology
- Waste-to-Value & Industrial Biotechnology
- Biotechnology for Climate Change Mitigation

TRACK 06 : Climate-Smart Agriculture & Sustainable Food Systems

- Precision & Smart Agriculture
- Climate-Resilient Crops & Farming
- Sustainable Soil & Water Management
- Agri-waste Management & Circular Bioeconomy
- Digital Agriculture, AI & IoT

TRACK 07 : Fundamental Sciences for Climate & Environmental Sustainability

- Climate Science & Environmental Modelling
- Green Chemistry & Sustainable Materials
- Environmental Physics & Renewable Energy
- Biodiversity, Ecology & Ecosystem Sustainability
- Water, Air & Soil Quality Science

TRACK 08 : Sustainable Society, Culture & Human Development

- Sustainability, Culture & Heritage
- Environmental Humanities & Literature
- Sustainable Communities & Social Development
- Environmental Communication & Media
- Sustainable Design, Creativity & Public Awareness

TRACK 09 : Sustainable Healthcare, Green Hospitals & Planetary Health

- Green & Sustainable Healthcare
- Climate Change & Public Health
- Healthcare Waste Management
- Digital Health & Sustainable Healthcare Technologies
- Disaster Preparedness, Community Health & Resilience

TRACK 10 : Green Pharmacy, Sustainable Drug Development & Healthcare

- Green Chemistry & Sustainable Drug Synthesis
- Eco-friendly Pharmaceutical Manufacturing
- Pharmaceutical Waste & Environmental Management
- Sustainable Drug Delivery Systems
- Green Pharmacology & Environmental Health

CROSS-CUTTING TECHNOLOGY THEMES

In addition to the domain-specific tracks, contributions are particularly encouraged in interdisciplinary and emerging technology areas:

- Artificial Intelligence & Machine Learning for Sustainability
- Internet of Things & Smart Environmental Monitoring
- Big Data, Digital Twins & Environmental Modelling
- Robotics, Automation & Intelligent Sustainable Systems
- Blockchain & Digital Technologies for the Green Economy
- Circular Economy & Sustainable Resource Management
- Climate Technology & Carbon-Neutral Solutions
- Renewable Energy, Energy Efficiency & Energy Transition
- Smart Cities & Sustainable Infrastructure
- Emerging Technologies for Sustainable Development

INTERDISCIPLINARY FOCUS

The conference particularly welcomes interdisciplinary research connecting Engineering, Science, Agriculture, Biotechnology, Healthcare, Pharmacy, Management, Commerce, Law and Arts & Humanities to develop innovative, scalable and socially responsible solutions for a sustainable future.

PRESENTATION & DISSEMINATION

Accepted and registered full length papers will be published in the **Conference Proceedings with ISSN and DOI**, which will be submitted for **Google Scholar indexing**.

Selected high-quality papers may be recommended for consideration in Scopus-indexed and/or UGC-CARE-listed journals, subject to the respective journal's editorial policies, peer-review process, scope, quality requirements, and publication criteria. Publication in these journals is not guaranteed and will be subject to the independent decision of the respective journals. For Journals, additional fee may be applicable.

ORGANIZING FRAMEWORK

Chief Patron (s)

Prof. (Dr.) Dileep Yadav, Chancellor, FS University, India
Prof (Dr) Sri Nivas Singh, Director, IIIT Gwalior, India
Sri Sunil, President BES & ECI, India
Dr. Yogesh Yadav, Pro-Chancellor, FS University, India

Patron (s)

Mohd Rihan, Director General, National Institute of Solar Energy, India
Prof. Aseesh Kumar Singh, MNIT, Allahabad, India
Dr Rahul Yadav, Trustee, FS University, India
Dr Nitin Yadav, Trustee, FS University, India
Prof. (Dr.) Sanjeev Bhardwaj, Vice Chancellor, FS University, India

Advisory Members

Prof. Sushant Srivastava IIT- BHU, India
Prof Avadhesh Kumar, Vice Chair IEEE UP Section
Prof Prabhakar Tiwari, MMMUT Gorakhpur, India
Prof Sanjeev Bansal, Amity University, India
Prof Rachna Singh, Amity University, India
Prof Praveen Pachauri, Bihar, India
Prof Ashwani Kumar, NIT Kurukshetra, India
Prof. Ahmed Elngar, Beni-Suef University
Prof. Celestine Iwendu, The University of Bolton, United Kingdom
Mr. Arun Chaudhary, Scientist, MNRE, India

Conference General Chair

Prof. (Dr.) Abhinav Srivastava, Director General, FS University, India

Conference Chair

Prof. S Vikram Singh, Dean QAA, FS University, India

Technical Program Committee Chair

Prof. Arun Kumar Singh, REC Kannauj, India
Dr. Varun Kakar, BKIT Dwarahat, India
Dr. Vinod M Kapse, Director, NIET, India
Dr. Smita Sharma, NIELIT, India
Dr. Suman Avadhesh Yadav, Chair WIE IEEE UP Section
Dr. K C Mishra, WIT Dehradun, India
Dr. M A Ansari, Gautam Buddha University, India

Organizing Secretary

Dr. Rehan Sultan Khan, Professor, FS University, India

Joint-Organizing Secretary

Dr. Rohit Krishna, FS University, India
Dr. Ajay Pal Singh, FS University, India
Dr. Tribhuvan Singh, FS University, India
Dr. Syed Kulsoom Fatima Jafri, FS University, India
Dr. Sarvesh Yadav, FS University, India
Dr. Rakesh K. Singh, FS University, India
Prof. Nisha G Nair, FS University, India
Prof. Alok Rahi, FS University, India

Technical Program Committee

Dr. Srijon Kaushik Bannerjee, University of Pittsburgh, USA
Dr Ekatreena Cooper, Northeastern University, London
Dr. Borut Batagelj, University of Ljubljana, Slovenia
Dr Anurag Srivastava, Lincon University College, Malaysia
Dr Rajiv Agarwal, DTC, Greater Noida, India
Dr Rajeev Kumar, Amity University (U.P.) Noida
Dr. Saurabh Shanu, UPES Dehradun
Dr Alka Singh, NIET, India
Dr Keshav Kaushik, Sharda University, India
Dr Jai Singh, IPEC, Ghaziabad, India
Dr Pankaj Jha, IIMT, Greater Noida, India
Dr Kuldeep Kaswan, Galgotias University, India
Dr Varun Malik, Chitkara University, India
Prof Ashutosh Singh, NIET Gr Noida, India
Prof Sanjay Maurya, NIET Gr Noida, India
Dr Rahat Naaz, UPES Dehradun, India
Dr Ashish Sharma, GLA University, India
Dr. Akanksha Singh, AAFI University, India
Dr Anurag Dwivedi, Galgotias University, India
Dr. Vasim Ahemad, RBIPM&T, Delhi, India

Industry Members

Dr. Udai Pratap Singh, Quality Head, Medsource India Pvt Ltd.
Dr. Akash Singh, Director, Bioverse Technologies Pvt Ltd.
Dr. Indu Dwivedi, DGM, Infinite Environmental Solutions Ltd.
Mr. Mithilesh Mishra, Director, IBRI, Noida
Mr. Gaurav Singh, Thalse, India
Mr. Sahdev Sharma, NARI, India
Mr. Anup Dubey, Praxis Consultants, India
Ms. Srishti Sharma, Trikaya Botanicals, India.

Organising Members

Prof. Rakesh K Singh, FS University, India
Prof. Garima Singh, FS University, India
Prof. Ashish Yadav, FS University, India
Prof. Sugandh Agarwal, FS University, India
Prof. Rafat Siddiqui, FS University, India
Prof. Rishav Singh, FS University, India
Prof. Nitesh Pandey, FS University, India
Prof. Surendra Maurya, FS University, India
Prof. Prashant Kumar Srivastava, FS University, India
Prof. Kajal Tiwari, FS University, India
Dr. Priyanka Kakkar, IAMR, Ghaziabad
Dr. Archana Bajpayee, FS University, India
Dr. Dilip Kumar Yadav, FS University, India
Dr. Pushpendra, FS University, India
Dr. Suryakant, FS University, India
Mr. Abhishek Yadav, FS University, India

VISION

We are committed to create a learning sphere which facilitate our students to hone their skill based on the learning imparted in them and that will enable them to participate in nation building.

MISSION

Our mission is to provide the best of education to our students to make them better citizens of tomorrow who will contribute towards building a better society through aspiration, academic excellence, system leadership, social mobility, and industrial cohesion.

Our Philosophy

FS University traces its roots to the FS education group, established in 2003 with a philanthropic vision to make quality education accessible and affordable to all. Over two decades, it has evolved into a trusted name in Uttar Pradesh, guided by the belief that education transforms lives and strengthens society. The core philosophy of FS University is to nurture knowledge, character, compassion and social responsibility, empowering learners to serve humanity with integrity and purpose. The University strives to provide inclusive, quality education in a supportive environment, guided by a commitment to social upliftment and human dignity. Its academic programmes adhere to applicable regulatory standards, while its national and international recognitions reflect its pursuit of excellence. Beyond academic achievements, FS University believes in giving back to society through education, service and philanthropy, fostering responsible citizens who contribute meaningfully to nation-building and a more equitable future for all.

100+ CO-CURRICULAR ACTIVITIES	25+ PROFESSIONAL STREAMS	75+ Programs
25000+ BOOKS AVAILABLE IN LIBRARY	Wi-Fi ENABLED CAMPUS	CUTTING EDGE LEARNING ECO-SYSTEM

About Fulan Singh Medical College, FS University

Fulan Singh Medical College, FS University is a constituent institution of FS University, Shikohabad, has been established under the aegis of Fulan Singh Jan Kalyan Trust with a vision to emerge as a centre of excellence in medical education, patient care, research and community health. The institution is dedicated to nurturing future healthcare professionals who possess clinical competence, scientific acumen, ethical integrity and a deep commitment to serving humanity.

The institute offers a dynamic academic environment that integrates competency-based medical education with evidence-based clinical practice, research, innovation and holistic student development. Guided by experienced faculty and supported by a modern teaching hospital, students receive comprehensive training through integrated learning, early clinical exposure, simulation-based education, skill development and hands-on patient care. This approach ensures that graduates are well-equipped to meet the evolving demands of the healthcare profession with confidence, compassion and professionalism.

MBBS

M.Sc. In Medical Anatomy, Medical Physiology,
Medical Biochemistry, Medical Microbiology,
Medical Pharmacology

Towards a greener, cleaner and more sustainable future.
